Charity Application

In May, at our Prayer and Vision evening the puppet group felt led by God to register Praizin' Hands as a charity with the Charity Commission. This application was endorsed by Cornerstone, Hythe URC at a meeting earlier this month.

The charity application has been submitted and we should hopefully receive a response from the Charity Commission in November to advise if our application has been successful.

Little Hands Team Update

Our youth team will be attending the Puppet and Creative Ministry Festival in Rugby at the end of October. They are taking part in two competitions during the event.

The team will not be meeting during November and December but will be back in January when they start in their new format open to both girls and boys.

Prayer Focus

Please pray.....

That the whole team will focus on God and God alone whilst serving Him through the puppets.

That the charity will be accepted and for wisdom for the trustees in running Praizin' Hands as a charity.

That finances will be found to enable the puppet group to support their vision.

For the school's project work being worked on each week and for the puppeteers.

For God's blessing on Cornerstone, Hythe URC – for the elders as they lead the church forward and for the membership.

Pray for God's blessing on the ministry of Lyndhurst Baptist Church.

Pray for God's blessing on the ministry of St. Francis Church.

For the Big Hands team and the Christmas performances. For all the venues we will be visiting this year with our Christmas presentations. That God will open the hearts of all who watch and listen and seeds will be sown.

For Little Hands as they rehearse for the puppet conference on 2nd November. For safe travels for all the team. That the team members will grow in their own personal faith.

That God will put on the hearts of suitable people from different churches to join both the Little Hands team and Big Hands team.

For health and strength for all three teams including the stage crew.
